

Hi Everyone!

It's so exciting, I've got butterflies! It's time again for the Spring Fling retreat at the Dairy Barn B&B! .

For the base retreat you'll pay just \$199, that includes all the mini\*Classes and make 'n takes you care to try, your room, your meals, crop space and access to all of our tools.

The BIG\*Classes are separate so you can take as many as you like or take none and have some serious fun just cropping.

Day Campers are welcome. If you are a local who wants to come and take just the classes or crops you can! Just send in the registration form with your classes and or crops marked.

On the Saturday night Spring Fling Crop, we'll have a show and tell, so be sure to bring something you've made to show!

Registration will be accepted as received. We are limited to 21 people for the retreat, and have a smaller limits on a few of the classes- so get your registration in as quick as possible.

If you have any questions please call or e-mail!
